

Dear Caveat Clients,

26 March 2020

Caveat Investments is fully supportive of the lockdown measures that have been announced by President Cyril Ramaphosa on 23 March 2020.

Consequently, Caveat staff members will continue servicing all our clients over the lockdown period. Our staff are geared to work remotely, and are fully committed to ensuring continued levels of service excellence and working with you through this difficult period.

We encourage you to engage with us should you need any assistance or are interested in any of our services offered.

Whilst this is a very uncertain time for everyone we know it will eventually pass and we will emerge stronger on the other side. Please keep yourselves and your loved ones safe over the next few weeks. Stay strong and resilient.

We look forward to working with and being there for you, albeit in a virtual way, during this lockdown period.

Please note that we will not be answering calls from our landline 📞 during these 21 days.

Please contact us via our mobile phones.
