Dear Denise,

17th March 2020

We remain committed to the health and safety of our staff and guests and continue to monitor the recommendations from the South African Government as well as the World Health Organization's (WHO) regarding the coronavirus (2019-nCoV).

Subsequent to the Presidential address on Sunday in which he strongly encourages social distancing and prohibition of gatherings of 100 people or more, we have had to make a very difficult decision to close the Conference Centre until the 30th April 2020.

We will assess the situation towards the latter part of April and provide further communication as soon as we are in a position to do so.

We appreciate the support of Caveat Hedge Portfolio and look forward to welcoming you and your guests to our Centre in the near future!

Please contact us should you require any further information.
