

Hanres Beukes

Head of Trading and Strategy

Hanres Beukes has been making use of quantitative models to trade global futures markets for over 10 years. He discovered his passion for trading while attending high school at the Afrikaans Hoer Seunskool (Affies) in Pretoria, 1996 - 2000. Hanres graduated with a Bachelor of Commerce (B.Comm) in Financial

Management Sciences at the University of Pretoria (Tuks), which he obtained in December 2012.

Since August of 2006, he started using his systematic approach to trade managed accounts. He is registered as a Commodity Fund Manager since 2012 with Tradeview. He is currently acting as the Head Trader & Strategist for Caveat Investments which is registered at the FSCA (FSP no. 24777) as a CAT II Investment Manager. Hanres is also regulated by the CAYMAN ISLANDS MONETARY AUTHORITY (CIMA) and is a proud member of Tradeview Ltd.

He is actively involved in improving and growing Caveat into a force to be reckoned with within the Fund community with his exceptional trading strategies and experience.
